

PROJECT PROFILE

PROJECT:
Second Ward Chapel
Salt Lake City

COMPLETION DATE:
October, 2004

OWNER:
The Church of Jesus Christ of
Latter-Day Saints - Salt Lake City

Facility:

The Second Ward Chapel is a masonry structure erected in 1908.

Problem:

The bricks and mortar were showing signs of deterioration and water intrusion.

Solution:

The deteriorated mortar was removed and replaced with new mortar. CRS maintained access to the building throughout the duration of the project.

TOP: Deteriorated bricks and mortar. CENTER: Repaired bricks and mortar. BOTTOM: Completed project.
